## ROLL LABELS

Welcome to the Next Generation of label making. The Classic Studio PRO System.

The Classic Studio Pro system consists of software driven templates, and a roll label printer which is compatible with any standard PC.

The Classic Studio PRO Labeling System, along with its custom designed program makes it easy to create custom designed labels for all occasions. Add text and graphics, choose fonts available on your computer and import clip art.

The Classic Studio Pro Labeling System is fast, convenient, flexible and affordable.
